16.1 Doping requirements and control:

The Anti-Doping Program may take place at the event. If so - the doping tests are carried out by the official Anti-Doping organization or sample collection provider recognized and approved by World Anti-Doping Agency (WADA). The selection of athletes would be according to the 2021 FAI Anti-Doping Rules, which are based on 2021 WADA Code and are available at:

<https://www.fai.org/anti-doping-rules-procedures>

After receipt of notification until arrival at the point of doping control the selected competitors will be always accompanied by chaperone assigned by the sample collection authority. The selected competitor may be accompanied by a person of their choice (team doctor, coach or head of delegation). If the Organizing Committee does not provide participants with accreditation with the photo on it, the selected athlete will be required to provide a valid passport or identity card at the point of doping control.

Note: Please carefully plan a departure date and time after the competition taking into the account that you may be chosen for the Doping Control.
