**Scholastic Accomplishments and Educational Plans** (please list & continue on a separate sheet if necessary):

I will take my final exams in 2025 and then start studying business administration at the University of Applied Sciences in my home town Arnhem. This all to start, my own company in the model flying business in the future.

Grow in competition mentality, Physical health and train by professionals (Pappendaal sport centre Netherlands) to take my competition flying scales to the next level and to be the best in class.

**Aeromodelling Achievements up to the age of 21** (for example World or Continental Championships, National Championships, World Cups, Records, Technical Innovations. In the case of competitions, include the name, date, and location of each competition, the class and the position achieved.) (Please list & continue on a separate sheet

**Personal Statement: What role did Aeromodelling play in your life and what are your aspirations for the future?** (One page to be written in the Nominee's own hand and attached to this form. If written in a language other than English, then please attach a typed translation as well as the hand-written original.)

NAC Signature :

 (R. GREENMAN - SG)

President or Secretary General of nominating FAI National Airport Control

(must be submitted to the FAI Office by November 15)
