

# Bulletin 1

10 January 2013

Dear friends – glider pilots

On behalf of Aero Club of Poland (AP) and myself personally I am happy to welcome glider pilots, assistants and the spectators of the 17<sup>th</sup> European Gliding Championships for the Standard, Club, World, 20m Multi-Seats Classes, scheduled for July 2013.

The Championships will take place at the Aero Club of Ostrów Wielkopolski, located at Michałków airfield. For many years, Michałków has been established as a great place for gliding events. This airfield is well-prepared and has excellent flying conditions for a large-scale international competition and there are no nearby restricted airspaces. The upcoming event is supported by an experienced organisation team.

We intend to hold a safe, friendly, high quality and challenging competition. We hope that while enjoying Polish hospitality there will be many occasion to make friends with glider pilots and crews from all over Europe.

Your Sincerely,

Włodzimierz Skalik

President of Aero Club of Poland

We are proud to invite you to fly here where you can find good thermals and even better hospitality. Our team will try our best to ensure that the upcoming championships will be at least as good as the last one. We sure hope that you will remember our competition as a great time you had In Ostrów! In this Bulletin you can find the most important information needed to start planning your arrival to Michałów Airfield. Please check our website frequently, as the registration process will start shortly.

CU in Poland at EURO2013!

## Competition Rules

The competition will be conducted in compliance with the FAI Sporting Code:

- General Section, 2013 Edition, effective 1 March 2013
- Section 3 – Gliding, 2012 Edition, effective 1 October 2012
- Annex A to Section 3 – Gliding, 2012 Edition, effective 1 October 2012

## Local Procedures

The Local Procedures document will be available on the Championships website.

## Classes and limits

Championships will be held in following classes:

- Standard
- Club
- World
- 20m Multi-Seat Class

Overall number of competitors is limited to 120. Number of competitors in each class is limited to 50.

Minimum number of competitors per class is 10. Current European Champions are excluded from this limits.

After closure of the entry list, any vacancies may be offered to competitors outside of Europe. They will compete as hors-concours.

## Entries

Please note, that according to FAI rules, entries can be accepted only from the NAC, on the official entry form.

Therefore the official entry forms (available from [www.egc2013.eu](http://www.egc2013.eu) website) must be printed, signed and returned (email, fax or regular mail) to us by March 31st, 2013 at the latest. Each pilot or a team captain will be accepted only when the entry form and the entry fee has been correctly received by the Aero club of Ostrów. The date the fee is credited to the Aero club of Ostrów account will be set as the entrant's official registration date. This status will be clearly indicated next to the pilot name on the online entry list.

In exceptional circumstances, the \_competing pilot may be also accepted as the team captain (especially when she/he is the only representative of his/her country).

Team Captains must supply two national flags with the size of 1.2m X 1.8m and a digital recording of their National Anthem.

Each NAC can enter two pilots per class (two teams in 20m multi-seat class).
