

## **2003 TROPHY REPORT**

**by CIAM Secretary, Luca Gialanella**

At this moment, we have 62 trophies registered: 39 are World Championships trophies, 8 are dedicated to European Championships and 15 are reserved for World Cup classes.

In the last years, with the help of FAI jury members who must be thanked for their cooperation, we made a complete check of our trophies conditions. Some repairs to present trophies in better shape have been already done: F3A Individual and Team, F3B Individual Trophy, for example. In 2004 it was decided to repair the F3D World Championship Trophy <Sopwith Trophy>, which needs new base and silver band.

I would remember that, according to rule B.19.5.a), <the holders are responsible for maintaining the trophy in good condition>. The CIAM Bureau monitoring will continue each year.

Three new trophies, all for European Championships, were donated last year:

- Challenge Trophy for General classification for F1A/F1B/F1J-P Juniors, by the President of the Republic of Poland, Mr. Kwasniewski;
- F1D Junior Individual, by Mr. Laurie Barr, organizer of the 2003 F1D Champs;
- F2B Individual, by Mr. Serge Delabarde.

Another trophy, the F1D Senior Individual Challenge Cup, appeared at the last European Championship after some time: it had never been registered. Finally, the CIAM 1<sup>st</sup> Vice President, Pierre Chaussebourg, will donate a personal trophy for the winner of the F1A World Championship Junior Individual.

In a short time, all trophy lists and photos will be available on the FAI website.

The situation of trophies is enclosed to this report.

CIAM Secretary
