ORGANISATION

Members of FAI Jury and panels of judges for each competition are given in the annex. The list of judges which have been considered is the list approved by the CIAM Plenary Meeting on 22-23 March 2001.

In a World cup competition, any infringement of the Sporting Code rules concerning composition of a panel of judges will lead to the cancellation of the results for the class which is concerned. The only exception to be considered is the case of an obvious withdrawal of a judge at the last moment (exceptional circumstance). This rule has been approved at the CIAM Plenary Meeting held in March 2001 and is effective from 1st January 2002.

FAI jury - The composition of the FAI Jury is defined in paragraph B.4.1 of the Volume ABR of the Sporting code Section IV. In the case of International events the FAI Jury must include at least one CIAM Delegate or a person approved by his/her NAC. The other two members can be delegated by the NAC of the organising country but members of the FAI Jury must be from at least two different countries. The rules specified that members of the FAI Jury may not compete in the event except when the time table gives a sub-division into classes ; in that case, one or two members may compete in a class and must then be replaced by alternate Jury members (not competing in the corresponding class) for all matters involving that class. The alternate members must be chosen so that at all times the FAI Jury meets nationality and language rules.

Nothing is specified in paragraph B.4.1 of the Sporting Code concerning possibility for a member of a panel of judges (F2B, F2C or F2D) to be also involved in the FAI Jury. A specific rule has been introduced in the Control Line World Cup rules which specify that a FAI Jury member involved in a panel of judges has to be replaced for that class (as FAI Jury member) by another eligible person. This rule has been approved by the CIAM Plenary Meeting held in March 2001 and is effective from 1st January 2002.

F2B panel of judges - The rule 4.2.13 of the Sporting Code specifies a panel of at least three judges. Those judges must be of at least two different nationalities and be selected from a list of persons proposed by the National Airsports Controls for their proficiency and experience and approved by the CIAM. If the panel is composed of five judges (recommended) only three of them must be approved by CIAM.

F2C panel of judges - The rule 4.3.12 of the Sporting Code specifies a panel of at least three judges. The judges must have at least one language in common. Only two of them must be selected from a list of persons proposed by the National Airsports Controls for their proficiency and experience and approved by the CIAM.

F2D panel of judges - The rule 4.4.18 of the Sporting Code specifies a panel of three judges. The judges must have at least one language in common. Only two of them must be selected from a list of persons proposed by the National Airsports Controls for their proficiency and experience and approved by the CIAM.

Many infringements to the rules concerning compositions of FAI Jury and/or panels of judges have been noticed.

Ekaterinburg (Russia) - 22 to 24 February (F2D) : the three members of the F2D panel of judges were from one country only (Russia). The Vice-President of FAS of Russia (Vladimir KOROVIN) has certified that Alexander KUZHDIN (Ukraine) was initially included in the F2D panel of judges but has not been able to come because sudden illness which explains why it has not been possible to meet the requirement of judges from two different countries. It could be considered as an exceptional circumstance.

Tautenhaim (Germany) - 11 and 12 May (F2D) : all three members of both FAI Jury and F2D panel of judges were from one country only (Germany). Furthermore, none of the members of the F2D panel of judges was from the CIAM list.

St Petersburg (Russia) - 18 and 19 May (F2D) : only one judge of the F2D panel of judges was from the CIAM list.

Dej (Romania) - 24 and 25 May (F2B and F2D) : all members of the FAI Jury and F2B-F2D panels of judges were from one country only (Romania). Furthermore, none of the members of the F2B and F2D panel of judges were from the CIAM list. Csaba ILYES has explained that the organiser "have any choice, being obliged to make those infringements because of financial reasons".

Sainte-Eulalie (France) - 25 and 26 May (F2B) : the three judges of the FAI Jury were involved in the F2B panel of judges (panel with 5 judges). The organizer has explained that in case of a protest he could have been in a situation to run the protest without any member involved in F2B panel of judges. Effectively, F2A and F2C classes were also run in that competition without the World Cup label, so it will have been easy to find members for the FAI Jury who were not involved in the F2B panel of judges.

Svitavy (Czech Republic) - 7 to 9 June (F2D) : only one member of the F2D panel of judges was from the CIAM list. The organiser could have been in compliance with the rules only by inverting one person from the FAI Jury (Pawel Klima) to the F2D panel of judges.

Pecs (Hungary) - 22 and 23 June (F2A - F2C) : none of the members of the F2C panel of judges was from the CIAM list. Furthermore, the list of the FAI Jury members has not been sent.

Bratislava (Slovak Republic) - 2 to 4 August (F2D) : one member was missing for the FAI Jury in F2D class. In effect, the three other members of the FAI Jury were involved in the F2D panel of judges.

Untersiggenthal (Switzerland) - 17 and 18 August (F2B): one member of the FAI jury was involved in the F2B panel of judges.

Wierzawice (Poland) - 23 to 25 August (F2B - F2D): one of the three members of the FAI Jury was involved in the F2B panel of judges and an other one was involved in the F2D panel of judges. Stefan KRASZEWSKI has explained that the organizer of the competition (Eugeniusz KUJAN) got cancer illness at the spring and died one week after the competition. It could be considered as an exceptional circumstance.

Lugo di Romagna (Italy) - 31 August and 1st September (F2C) : one member was missing for the FAI Jury in F2C class. In effect, the other members the FAI Jury list (5 members) were involved in F2C panel of judges.

Hradec-Kralové (Czech Republic) - 14 and 15 September (F2B) : one member of the FAI jury was involved in the F2B panel of judges.

Gyula (Hungary) - 21 to 23 September (F2A - F2C) : all three members of both FAI Jury and F2C panel of judges were from one country only (Hungary). Furthermore, none of the members of the F2C panel of judges was from the CIAM list. Jozsef MULT, president of Gyula Aeroclub, has certified that M. Andrzej RACHWALL from Poland has been invited but did not come. It could be considered as an exceptional circumstance but is not sufficient in that case for compliance with the rules.

Valladolid (Spain) - 5 and 6 October (F2D) : the three members of the F2D panel of judges were from one country only (Spain). The CIAM Delegate for Spain (Yolanda Garcia de FUENTES) has certified that Carlos BRAS (Portugal) was initially included in the F2D panel of judges but could not attend the competition which explains why it has not been possible to meet the requirement of judges from two different countries. It could be considered as an exceptional circumstance.

After discussion, the Board of judges for the Control Line World Cup and Chairman of the Control Line Subcommittee have considered that it will be unfair to cancel results in so many competitions because it will unjustly penalize the competitors who attend a correct organisation of a competition which is on the CIAM Calendar with a World Cup label and so who trusted that their results will count for the Control Line World Cup.

In those conditions, it has been suggested to the CIAM Bureau to suspend from 2003 Control Line World Cup the most offending organiser's in order to make all organiser's of World Cup competitions abide by the rules in the future.
