1. Roll Call, apologies for absence.

All members except Bengt Stener were present plus Uwe Schneider, Claude Weber, Marc Andre, David Levin and occasionally others.

2. 2011 Scoring Working Group Minutes.

2011 Minutes were reviewed and approved.

3. Update Competition Operation Handbook (COH).

No updates to the COH were proposed prior to the beginning of the CIA Conference.

The COH was updated in response to two important changes in AX MERs – elimination of distance infringement result penalties and the Fly On Task.

4. Any new business

No new business was added to the agenda.

5. Discussions on items published on the CIA-SWG Forum.

Due to time, the WG only discussed the proposal to eliminate distance infringement result penalties. The proposal, except for the proposed changes to rule 12.9 and 12.10, was accepted and the Scoring WG provided associated new or modified rules (13.3 and 13.5) to the AX WG to implement the new method.

6. Discussion on items coming from AX MER WG and others SCs or WGs – items will be published on the CIA-SWG Forum and provided to Scoring Working Group members as soon as they are available.

All items referred to the Scoring WG have been loaded into the CIA-SWG Forum, but due to short notice and time, none were discussed. All Delegates and interested persons are encouraged to review and comment upon items in the CIA Forums throughout the year.

7. 2012/2013 SWG Chairman and members.

We propose to go forward with the same members and roles:

Garry Lockyer, CAN, Chairman  
Mathijs R. de Bruijn, NED  
Bengt Stener, SWE, Member  
David Bareford, GBR, Member  
Steve Ireland, AUS, Member
