Hangzhou, People's Republic of China

Thursday 31th October to Sunday 3th November 2024

OFFICIAL RESULTS

Qualification stage results & ranking

Overall individual classification

Junior individual classification

Women individual classification

National team classification

107 competitors from 30 different countries, including 45 Juniors and 11 Women, effectively participated to the 2024 WDRC.

There were 8 competitors invited to participate with a wild card. For the results, they are marked 'WC (XXX)' in the column 'Country'

The national team classification had been established by considering the overall individual classification obtained by removing the wild card competitors.

Note: In that situation, the competitor's places considered for the national team classification are lower than their places in the individual classifications.
