## GRAVITY INDOOR SKYDIVING TECHNICAL DATA

Gravity is a recirculating Aerodium Technologies, round wall-to-wall wind tunnel, with a diameter of 4.3 meters up to a height of 5 meters then extending to 5.5 meters diameter at a height of 12 meters and a full chamber height of 19.6 meters, 12 meters of which is full glass. There is also a decompression chamber allowing flyers to enter and exit the tunnel at any time without disrupting flight operations.

Gravity Indoor Skydiving is one of the only wind tunnels in the world to have an entrance door into the flight chamber, at a height of 14 meters that can be used by pro-flyers as an entrance into the chamber while the wind speed is flowing.

Airspeed can be adjusted and set according to competitor’s requirements and official competition rules.

The Wind Tunnel has the capacity to accommodate potentially 30 – 45 performances an hour depending on competitors and competition demands, rules and volume of competitors.

## 8. ACCOMMODATION

Gravity Indoor Skydiving has pre-reserved rooms at the below hotels for all participants of the event at discounted rates. Competitors can only avail these rates once the final entry and entry fees have been paid.

Bookings in these hotels can be done directly with the hotels via email or through their websites using a dedicated promotional code (To be provided by Gravity once entry fees have been paid). Gravity is happy to advise anyone that needs any help in booking accommodation.

## 12. MEDICAL / EMERGENCY DETAILS

The building meets full safety and emergency requirements needed for public use in regards to evacuation procedures, fire safety, emergency exits etc. During the event there will be a full-time paramedic team with an ambulance and qualified first-aid personnel from within the Gravity staff as well as on-site civil defense team support for the same period.

Emergency services can be reached by calling 999, and they usually arrive very promptly. Bahrain is host to many medical facilities and hospitals of good standard. The nearest hospital is: Bahrain Defense Force Hospital, West Riffa and is only a 15 minute drive from Gravity.

## 13. INSURANCE, WAIVERS AND DOCUMENTATION

- Gravity Indoor Skydiving does not request any flyer to hold third party liability insurance, however it's advisable to hold a valid insurance. Any injury or damage is the responsibility of the participant.
- Each participant entering the tunnel to fly will have to sign a Gravity Indoor Skydiving waiver document. Participants are responsible for covering their own repatriation and personal medical insurance for the duration of their stay for the competition.
- Any damage in the accommodation facility, ceremony venues, lounges etc. is the responsibility of the person(s) involved.
- Personal belongings are the responsibility of each person

## 14. VISA INFORMATION

A visa fee of BD5 (\$12) is applied for a tourist visa (single-entry, make sure you request this or you will get charged more for a multi-entry) and can be obtained upon entry/arrival at the Bahrain International Airport. A copy of the return ticket and address of accommodation in Bahrain must be provided.

E-visa can also be obtained online at: <http://www.evisa.gov.bh>

This website also provides information on visa requirements for entry into Bahrain based on current Government rules.
