

4th FAI WORLD INDOOR SKYDIVING CHAMPIONSHIPS
LIPTOVSKY MIKULAS, SLOVAKIA
CANCELLED

The ISC together with the Hurricane Factory and the Slovensky Narodny Aeroklub, the Organisers of the 4th FAI World Indoor Skydiving Championships scheduled to be held from 8th to 11th April 2021 in Liptovsky Mikulas, Slovakia, are sorry to announce that due to the ongoing situation caused by the virus COVID-19, this event is cancelled.

The current situation shows that the virus is still very active with a resurgence in a number of countries on different continents and including new lockdowns across Europe. Without any doubt, international travel will not be back to normal for some months if not years and many countries still have quarantine arrangements.

The economic consequences of the situation are also to be taken into consideration plus the difficulty for so many of our athletes to pursue their training.

ISC will be discussing the overall situation including scheduling future events in both Indoor and Outdoor Skydiving at the next ISC Plenary meeting.

If you have further questions or comments, please contact the ISC (ipcgillian@gmail.com).
