

To FAI Judges

Due to the fact that there have been no competitions in 2020 and no FAI Judges Training Courses a lot of judge's ratings will expire at the end of 2021.

With the Interim Bureau Decision (IBD 2021/08) for judges who served at an FCE, or have done a re-evaluation or participated successfully in an FAI Judges Training course in the **year 2019**, their Category 1 judges rating will stay valid until December 2022.

However, I believe there are a lot of judges who need a re-evaluation this year to keep your rating current for next year.

To help me organise your re-evaluations for whichever disciplines you need then please contact me by E-Mail [Karlacole@aol.com](mailto:Karlacole@aol.com) with the following details:

name, country, discipline and a current scan of your logbook.

Please send your details to me by the latest 16 th July 2021.
